RACE 1

WORLD POOL AT THE TOTE HANDICAP (2) 3yo (Rated 0-105) £50,000 1¼m17y (2030 Metres)

Going: **Good (Good to Firm in places)**

Left handed, undulating, 'U' shaped course, with tight bends. Races up to eight and a half furlongs are very sharp, meaning those ridden prominently hold an advantage, particularly on the five-furlong course, the fastest in the world, which is virtually downhill throughout. Conversely, the first four furlongs of the Derby course are uphill and it provides a real test of stamina, anything overracing in the early part of the race usually found wanting in the closing stages. In testing conditions, the runners tend to switch towards the stands-side rail for the better ground.

BETTING FORECAST:

TIMEFORM VIEW:

The handicap PATIENT DREAM won at this venue on return in April has turned out to be strong form, and given his dam stayed beyond this trip, there should be more to come as his stamina is drawn out. He appeals as being the pick at the weights, with King Frankel and Chase The Dollar feared most.

1	10	LOTTIE MARIE (39) (D)	80
	5501-2211	4 9-6 59.9kg	<i>Silvestre De Sousa</i>
In excellent form on the AW this year but looks out of her depth on her return to turf.			
2	6	MAAMORA (IRE) (35) (BF)	98
	0112/531-5	5 9-6 59.9kg	<i>William Buick</i>
Returned from 6 months off to win a 1m Sandown listed race in August, dictating a steady pace. Far from disgraced when close fifth of 6 in similar event at Goodwood on return and should go well again.			
3	2	PARENT'S PRAYER (IRE) (28)	93
	28131-24	4 9-6 59.9kg	<i>Oisin Murphy</i> 
Progressive type who signed off last season with win in listed race at Naas (heavy, 12/1) by 3 lengths. Good efforts in defeat in Group 3s at Naas/Lingfield both starts this term. Place prospects.			
4	7	POSTED (34)	 100
	5552515-5	5 9-6 59.9kg	<i>Jim Crowley</i>
Showed smart form when taking Sandown listed event last season, dictating steady pace. Unable to repeat that form under patient tactics both starts since, including at Newmarket on return. Form pick.			
5	1	QUEEN KAHLUA (28)	84
	2/146016-4	4 9-6 59.9kg	<i>Adam Kirby</i>
Fairly useful winner in France and made a respectable start for new yard when fourth in listed race at Nottingham (6.1f, heavy) on return. Set a tall order here, however.			
6	8	TOMORROW'S DREAM (FR) (61)	89
	1217635-6	4 9-6 59.9kg	<i>Tom Marquand</i>
Useful filly who won a couple of handicaps last season. Unable to land a telling blow in listed events since, however, including at Kempton on return, so opposable at this level. Headgear on.			
7	3	ILLYKATO (35)	94
	21456-01	3 8-8 54.4kg	<i>Edward Greatrex</i> 
Highly tried after winning maiden last summer but improved a chunk when coming from off the pace to narrowly land listed race at Goodwood 5 weeks ago. Worth another try at this level on that evidence.			
8	4	NAZUNA (IRE) (211)	93
	51220-	3 8-8 54.4kg	<i>Andrea Atzeni</i> 
Doncaster maiden winner in August and maintained progressive theme when runner-up in Rockfel at Newmarket. Never involved in Breeders' Cup Juvenile Fillies Turf final start. Off 7 months.			
9	5	STATEMENT (IRE) (34)	98
	221-28	3 8-8 54.4kg	<i>David Egan</i>
Newbury maiden winner last autumn and improved a good deal when just failing in Fred Darling there on reappearance. Perhaps not seen to best effect in 1000 Guineas since and can bounce back.			
10	9	THANK YOU NEXT (IRE) (21)	89
	1452-8345	3 8-8 54.4kg	<i>Ben Curtis</i>
Useful performer but looks exposed and surprise if she's good enough.

TIMEFORM VIEW:

Not the strongest of Group 3s and STATEMENT is fancied to make the breakthrough in pattern company. Still relatively unexposed, she shaped well when second in the Fred Darling and is well worth another try at this trip having been ridden too aggressively in the 1000 Guineas. Maamora and Posted are feared most, especially if either are allowed to dictate.

TIMEFORM VIEW:

CENTURY DREAM bounced back from a below-par reappearance to win this in 2018 and is taken to repeat the dose and land a third success in this race. Sole 3-y-o Maximal has posted a pair of good runner-up efforts this season and is put up as the main danger ahead of last month's Newmarket handicap winner Bell Rock.

1	17	STONE OF DESTINY (35) (D)	600210-92	6	9-10	61.7kg		100
	Andrew Balding			Oisin Murphy				
Won the Portland at Doncaster last season and proved at least as good as ever when second at Goodwood last time. Remains well treated despite a 3 lb rise and can go one better now.								
2	15	EXALTED ANGEL (FR) (28) (D)	223-41254	5	9-10	61.7kg		97
	K. R. Burke		Clifford Lee					
Won listed race at Lingfield and progressed further when second in the All-Weather Sprint Championships over the same C&D in April. Well below that form on his last two starts on turf, though.								
3	6	ORNATE (7) (CD)	52144148	8	9-6	59.9kg	s	97
	David C. Griffiths		Phil Dennis					
Scored at Southwell before shaping as if needing the run after 10 weeks off when down the field in listed race at Haydock last time. Lines up from the same mark as when winning this race in 2019.								
4	19	SUNDAY SOVEREIGN (14) (D)	4118/78-92	4	9-6	59.9kg	t	97
	Tim Easterby		Silvestre De Sousa					
Bounced back to his best when second at York last time and only 3 lb higher now. Still relatively lightly raced (particularly for this yard) and has the early speed to suggest this test will suit.								
5	4	CASPIAN PRINCE (IRE) (47) (CD)	313-53554	12	9-4	59.0kg	t	97
	Michael Appleby		Alistair Rawlinson					
Veteran sprinter who has already won this race three times in 2014, 2016 and 2017. Has dropped in weights after couple of below-par efforts since returning from Dubai earlier in year. Not ruled out.								
6	3	BLUE DE VEGA (GER) (14) (D)	6-3624834	8	9-3	58.5kg	t	97
	Robert Cowell		Ben Curtis					
Below form at Newmarket last time but he figures on a good mark and will command plenty of respect given his record in this race (fourth in 2018 and third in 2019).								
7	5	LORD RIDDIFORD (IRE) (64) (D)	0132-U110	6	8-12	56.2kg		95
	John Quinn		Jason Hart					
Below-par effort over 6f back at Lingfield last time. Potentially well treated judged on the pick of his all-weather efforts but he has yet to match that form on turf.								
8	16	COPPER KNIGHT (IRE) (14) (D)	7689-7315	7	8-12	56.2kg	t	97
	Tim Easterby		James Sullivan					
Won at York in May and ran creditably when fifth over the same C&D last time. Running style should be suited to this test and still potentially well treated judged on the balance of his form.								
9	20	ONLY SPOOFING (IRE) (21) (D)	5910-0601	7	8-11	55.8kg		97
	Kevin Thomas Coleman, Ireland		Tom Marquand					
Won at Navan on just his fourth start for this yard since leaving Jedd O'Keeffe and he has been placed from similar marks in the past. Respected in his follow-up bid.								
10	18	MONDAMMEJ (14) (D)	2-3821630	4	8-9	54.9kg	h	98
	Antony Brittain		Cam Hardie					
Won at Pontefract in April and ran at least as well in defeat when third at York in May. Well below form last time and has shown signs of temperament. Others make more appeal.								

11	2	RECON MISSION (IRE) (46) (CD)	581-43751	5	8-9	54.9kg		97
	Tony Carroll							Ray Dawson (31lb/1kg)
Resumed winning ways over C&D last time, making just about all to win by half a length from Dark Shot. A 3 lb higher mark here is not insurmountable judged on the pick of his old form.								
12	10	ROSE HIP (4lb/2kg ex) (5) (D)	32152-071	6	8-8	54.4kg		99
	Tony Carroll							Edward Greatrex
Career best to resume winning ways at Windsor 5 days ago, held up in a strongly-run race. Those tactics will be harder to pull off here, but she is well-in under a 4 lb penalty.								
13	11	HAN SOLO BERGER (IRE) (38) (D)	0015-5363	6	8-7	54.0kg	s	99
	Chris Wall							George Wood
Won three times last season and returned to form when third at Ascot last time. Has edged below his last winning mark, so looks to have claims of building on his latest effort. Interesting.								
14	8	YIMOU (IRE) (21) (D)	7133638-3	6	8-7	54.0kg		97
	Dean Ivory							George Downing
Won at Windsor last season and ran creditably after eight months off when third at Newmarket last time. Likely to strip fitter here and is one to be interested in from a fair mark.								
15	1	PETTOCHSIDE (5) (C, D)	3171-1017	12	8-6	53.5kg		96
	John Bridger							George Rooke (31lb/1kg)
Won at Ascot in April and Bath in May. Struggled from a much higher mark at Windsor last time, though, and looks up against it in this more competitive environment.								
16	14	GET BOOSTING (21) (D)	61577-515	4	8-5	53.1kg	t	98
	Iain Jardine							Jamie Gormley
Won at Ripon in May and was possibly unsuited by the heavy going when only fifth at Thirsk last time. Steps up markedly in grade here but certainly not handicapped out of things.								
17	13	MOKAATIL (30) (C, D)	51-149348	6	8-4	52.6kg	b+t	97
	Ian Williams							David Egan
Won at Chelmsford in March but has been below form of late. Back down to his last winning mark but tough to recommend with any confidence with a test which is possibly on the sharp side.								
18	9	SAAHEQ (21) (D, BF)	44123125	7	8-4	52.6kg	b	97
	Amanda Perrett							Hayley Turner
Won at Lingfield in February and April. Possibly unsuited by the track when fifth at Newmarket and had been running consistently prior to that. This represents a significant step up in grade, though.								
19	7	SON AND SANNIE (IRE) (43) (D)	214713-04	5	8-2	51.7kg		98
	Paul Midgley							Kieran O'Neill
Won at Naas and Wolverhampton last season. Stepped up on his reappearance when fourth at Doncaster last time, but that form is still a bit below his best and he didn't impress with his application.								
20	12	DUKE OF FIRENZE (15) (CD)	45501365	12	8-0(7-13)	50.8kg (50.3kg)		97
	David C. Griffiths							John Egan
Veteran won this in 2013 and also scored at Lingfield in April. Below form last two starts but he's no forlorn hope back here, despite being 1 lb out of the handicap.

RACE 4

WORLD POOL “DASH” HANDICAP (Heritage Handicap) (2)
3yo+ £75,000 5f (1010 Metres)

TIMEFORM VIEW:

A typically competitive renewal of this valuable sprint handicap. STONE OF DESTINY looked right back to his best at Goodwood and last year’s Portland hero can capitalise on a good mark. Han Solo Berger has also dropped to a handy weight and is feared most, with Sunday Sovereign not taken lightly either and a solid place prospect along with recent Windsor scorer Rose Hip.

TIMEFORM 1-2-3:

1. STONE OF DESTINY 2. HAN SOLO BERGER (IRE) 3. SUNDAY SOVEREIGN

RACE 5

CAZOO DERBY (Group 1) (1) 3yo colts and fillies
£1,125,000 1½m6y (2420 Metres)

Going: **Good (Good to Firm in places)**

Left handed, undulating, 'U' shaped course, with tight bends. Races up to eight and a half furlongs are very sharp, meaning those ridden prominently hold an advantage, particularly on the five-furlong course, the fastest in the world, which is virtually downhill throughout. Conversely, the first four furlongs of the Derby course are uphill and it provides a real test of stamina, anything overracing in the early part of the race usually found wanting in the closing stages. In testing conditions, the runners tend to switch towards the stands-side rail for the better ground.

Draw: **N/A** Pace Information: **Strong**

1	1	ADAYAR (IRE) (28) (BF)	41-22	3	9-0	57.2kg	91
		Charlie Appleby					Adam Kirby
Wide-margin winner of heavy-ground Nottingham maiden last autumn and has returned with good efforts at Sandown and Lingfield, though no match for Third Realm 4 weeks ago. Has plenty on from stall 1.							
2	9	BOLSHOI BALLET (IRE) (27)	315-11	3	9-0	57.2kg	100
		Aidan O'Brien, Ireland					Ryan Moore
Hugely exciting son of Galileo who has won the 2 main Irish trials at Leopardstown impressively, clocking an excellent time in the Derrinstown 4 weeks ago. Yard's only runner and the one to beat.							
3	6	GEAR UP (IRE) (23)	1141-5	3	9-0	57.2kg	91
		Mark Johnston					Ben Curtis
Winner of 3 of his 4 starts at 2 yrs, notably the Group 1 Criterium de Saint-Cloud final outing. Will come on plenty for his return in the Dante behind Hurricane Lane and this trip is sure to suit.							
4	5	HURRICANE LANE (IRE) (23)	1-11	3	9-0	57.2kg	97
		Charlie Appleby					William Buick
Improving in leaps and bounds, showing plenty of guts as well as stamina when making it 3-3 in the Dante. This stiffer test will suit and only unbeaten runner in the race has an each-way chance.							
5	12	JOHN LEEPER (IRE) (21)	4-11	3	9-0	57.2kg	93
		Ed Dunlop					Frankie Dettori
By Frankel out of an Oaks winner and could prove very good himself as he's improved rapidly so far, doing plenty wrong but still well on top at Newmarket 3 weeks ago. Couldn't dismiss under Dettori.							
6	8	MAC SWINEY (IRE) (14)	519181-41	3	9-0	57.2kg	99
		J. S. Bolger, Ireland					K. J. Manning
Goes really well in the mud and notched up a second Group 1 when making all in the Irish 2000 Guineas a fortnight ago. Should stay this far and prospects even brighter if it rains.							
7	4	MOHAAFETH (IRE) (35)	73-111	3	9-0	57.2kg	96
		William Haggas					Jim Crowley
Took a huge step forward when making it 3-3 for the year in listed contest at Newmarket 5 weeks ago, coming clear as his rider pleased. This trip bound to suit and he's a colt of huge potential.							
8	10	MOJO STAR (IRE) (22) (BF)	2-2	3	9-0	57.2kg	83
		Richard Hannon					David Egan
Has made a promising start in 2 races at Newbury 7 months apart, running into a useful prospect on return. Step up in trip will suit but huge shock if he opened his account in this.							
9	11	ONE RULER (IRE) (35)	21312-6	3	9-0	57.2kg	94
		Charlie Appleby					James Doyle
Did well at 2 yrs, chasing home Mac Swiney in the Futurity at Doncaster final start, and he returned with a good run in the 2000 Guineas. Should strip fitter here and not without a chance if he stays.							
10	3	SOUTHERN LIGHTS (IRE) (27)	2-16	3	9-0	57.2kg	85
		Joseph Patrick O'Brien, Ireland					Declan McDonogh
Successful return in 10f Leopardstown maiden and not seen to best effect behind Bolshoi Ballet in the Derrinstown there 4 weeks ago. Longer trip will suit but huge improvement needed to figure.							

11	2	THIRD REALM (28) (D)	5-11	3	9-0	57.2kg	93
		Roger Varian					Andrea Atzeni
Took another huge step forward from his reappearance win when readily landing the Lingfield Derby Trial by 1¼ lengths from Adayar 3 weeks ago. More to come still over this trip and he's a player.							
12	7	YOUTH SPIRIT (IRE) (31) (D)	413-41	3	9-0	57.2kg	93
		Andrew Balding					Tom Marquand
Took another big step forward when winning the Chester Vase in good style in the mud last month, keeping on well. Remains capable of even better but plenty of his rivals make more appeal on balance.

BETTING FORECAST:

6-5 Bolshoi Ballet, 7-1 Mohaafeth, 15-2 Mac Swiney, 8-1 John Leeper, 10-1 Hurricane Lane, 25-1 Third Realm, 40-1 bar

TIMEFORM VIEW:

It's very notable that the hugely-exciting BOLSHOI BALLET is the only runner for Ballydoyle and he can give Aidan O'Brien a stunning ninth Derby this century, 20 years on from his sire Galileo's victory. He won the two main Irish trials impressively and should have even more to offer over this longer trip. Mohaafeth, Hurricane Lane and Irish 2000 Guineas-winner Mac Swiney complete the shortlist.

NORTHERN DANCER HANDICAP (2) 4yo+ (Rated 0-105)
£50,000 1½m6y (2420 Metres)

Going: **Good (Good to Firm in places)**

Left handed, undulating, 'U' shaped course, with tight bends. Races up to eight and a half furlongs are very sharp, meaning those ridden prominently hold an advantage, particularly on the five-furlong course, the fastest in the world, which is virtually downhill throughout. Conversely, the first four furlongs of the Derby course are uphill and it provides a real test of stamina, anything overracing in the early part of the race usually found wanting in the closing stages. Draw: **N/A** Pace Information: **Very Strong**

1	10	LOST EDEN (IRE) (28)	96
	2-110	4 9-7 60.3kg	<i>Andrea Atzeni</i>
Richard Hannon Highly progressive on AW (bolted up in novice at Lingfield in April) and found to have irregular heartbeat when tailed off in listed company at Ascot last time. Still very much of interest.			
2	1	THE TRADER (IRE) (22) (D)	97
	4257-5614	5 9-6 59.9kg	<i>Ben Curtis</i>
Mark Johnston Latest win at Hamilton in May but seemed undone by a rise for that when fourth at the same course last time. Looks vulnerable.			
3	2	SOTO SIZZLER (22) (CD)	96
	11292/427	6 9-5 59.4kg	<i>Oisin Murphy</i>
David Menuisier Enhanced his good track record when second of 5 over C&D in April and, while disappointing at Newmarket last time, he can't be ruled out returning to ideal conditions.			
4	6	AUSTRALIS (IRE) (50)	97
	01022-170	5 9-3 58.5kg	<i>David Egan</i>
Roger Varian Useful stayer but better on AW and likely to find things happening too quickly for him over this trip.			
5	5	MIDNIGHTS LEGACY (34) (D)	99
	1976-2352	4 9-3 58.5kg	<i>William Buick</i>
Alan King Largely running well this term, second of 7 in handicap at Salisbury (14.2f, good) 34 days ago. Can give another good account.			
6	7	KOEMAN (28) (D)	97
	6915-4408	7 9-2 58.1kg	<i>Tom Marquand</i>
Mick Channon Scored at Wolverhampton under in December but it's hard to get excited by his recent efforts. Others make more appeal.			
7	3	WAIT FOR THE LORD (7)	98
	416-4844	5 9-1 57.6kg	<i>Dougie Costello</i>
David Elsworth Useful sort who may have been a little flattered when fourth in the Pinnacle Stakes at Haydock 7 days ago. Well treated if that form is taken literally, so claims if she manages to settle early.			
8	8	GROUP ONE POWER (28) (CD)	100
	11445-12	4 8-13 56.7kg	<i>Silvestre De Sousa</i>
Andrew Balding Made a winning return over C&D and shaped well (went off hard) when runner-up at Ascot subsequently. Still figures on a fair mark and could take all the beating.			
9	4	FRONTISPIECE (28) (D)	97
	816/224-44	7 8-11 55.8kg	<i>Jim Crowley</i>
Amanda Perrett Consistent sort who shaped as if still in form (raced closer to the pace than ideal) when fourth at Ascot last time. Doesn't have much in hand from this mark, though.			
10	12	AUTUMN WAR (IRE) (109)	97
	667/011-43	6 8-11 55.8kg	<i>Ray Dawson (3lb/1kg)</i>
Ian Williams Generally in good form on the AW since joining this yard, winning twice. Creditable third at Newcastle 109 days ago and a strongly-run race would play to his strengths.			

11	9	RED FORCE ONE (40)	96
	22/56-301	6 8-11 55.8kg	<i>Jason Hart</i>
Philip Kirby Lightly raced for current stable and scored comfortably from a subsequent winner at Ayr last time. Remains on a good mark, so he's a definite player with a true pace sure to suit.			
12	11	PERCY STREET (329)	89
	0/9-	8 8-8 54.4kg	<i>Kieran O'Neill</i>
David Pipe Well treated on his best Flat efforts but hard to make a strong case for in a race of this nature given his attitude has looked poor over hurdles lately.			

12 DECLARED RUNNERS

BETTING FORECAST:

7-2 Group One Power, 5-1 Lost Eden, 17-2 Wait For The Lord, 17-2 Soto Sizzler, 9-1 Midnights Legacy, 10-1 Red Force One, 16-1 The Trader, 22-1 Frontispiece, 22-1 Autumn War, 28-1 Koeman, 33-1 Australis, 33-1 Percy Street

TIMEFORM VIEW:

GROUP ONE POWER has benefited from more positive tactics this term and, provided he doesn't face too much pressure up front, he's capable of adding to his C&D win on reappearance. The likeable Midnights Legacy also makes appeal, while Frontispiece is one to consider at a bigger price.

TIMEFORM 1-2-3:

1. GROUP ONE POWER 2. MIDNIGHTS LEGACY 3. FRONTISPIECE

Draw: **N/A** Pace Information: **Very Strong**

1	2	DANZENO (236) (D, BF) 3/9323222- 10 9-7 60.3kg Michael Appleby Smart veteran handicapper who was placed on 6 of his 7 starts last season, notably when runner-up in the Portland at Doncaster. Has gone well fresh in the past so a good showing not ruled out.	97
2	1	ABERAMA GOLD (24) (D) 1-5442428 4 9-3 58.5kg Keith Dalgleish Ended 2020 in fine form, landing 3 of last 4 starts and remained in form on AW, solid fourth in Sprint Championship at Lingfield in April. Rare below par effort at York latest but type to bounce back.	98
3	8	LEXINGTON DASH (FR) (35) (D) 40640-241 4 9-2 58.1kg Richard Hannon Dual 6f scorer at Newmarket last season. Returned better than ever, holding Aberama Gold by 2 lengths at Doncaster (6f) in May and no surprise to see another good showing.	100
4	3	DESERT SAFARI (IRE) (35) (D) 71343-151 4 9-2 58.1kg Mark Johnston Multiple all-weather winner who gained breakthrough success on turf in small-field Goodwood handicap (5f) 5 weeks ago, battling well. Up 4 lb now but he's effective over 6f and rates a live player.	97
5	11	BARBILL (IRE) (22) (D, BF) 8/10160-25 5 9-0 57.2kg Mick Channon Successful twice at 6f last year and far from disgraced when sixth in Portland at Doncaster in September. Solid second on return at Kempton but not in same form at Newbury subsequently. Cheekpieces on	98
6	13	JUSTANOTHERBOTTLE (IRE) (14) (D) 3001-3820 7 8-12 56.2kg Kevin Ryan NON RUNNER.	98
7	6	ATALANTA'S BOY (36) (D) 9/120104-1 6 8-11 55.8kg David Menuisier Useful sprinter who enhanced excellent record at Goodwood when successful over (6f) in April. Assessor applies a little more pressure and this rates a deeper race.	98
8	7	TINTO (28) (D) 7-4579650 5 8-11 55.8kg Amanda Perrett Losing run is mounting up but plenty of good efforts in defeat from sliding mark this year. Left poorly placed when well held in Victoria Cup but blinkers refitted and good showing not ruled out.	99
9	9	EJTLAAB (IRE) (7) (D, BF) 37216-352 5 8-8 54.4kg Ian Williams Scored at Chelmsford City in November and has continued in good nick, beaten only by a thriving rival from plum draw at Chester (7.6f) last week. Drop back in trip should hold no fears and claims.	98
10	10	CANAGAT (34) 510-2d3670 4 8-8 54.4kg Simon Dow Useful 7f/1m winner for Archie Watson last year. Mixed record for Georgios Alimipinis in France since the turn of the year, last of 16 in a Longchamp handicap in May. Starts out for new yard now.	95

11	12	KIMIFIVE (IRE) (35) (D) 2620450-3 6 8-8 54.4kg Joseph Tuite Losing run stretches back over 2 years but plenty of good efforts to his name, fine second in last year's Stewards' Cup. Creditable third on Goodwood return (7f) in May and mark definitely workable.	97
12	4	OPEN WIDE (USA) (36) (D) 0580616-4 7 8-7 54.0kg Amanda Perrett Right back on song to end losing run at Kempton (6f) in October. Considerate return from 6 months off when fourth at Goodwood (6f) in April but he was more miss than hit last term.	97
13	5	MUSCIKA (23) (D) 7017-8460 7 8-5 53.1kg David O'Meara The Knavesmire proved a happy hunting ground last year, winning twice at 6f. More miss than hit in handful of starts this term though, below form in handicaps at Ripon/York of late.	98
14	14	INDIAN SOUNDS (IRE) (23) (D) 211215-50 5 8-2 51.7kg Paul Midgley Multiple winner of 5f handicaps on good/good to firm last season. Shaped as if needing Pontefract return effort and York run since easily overlooked. Stays 6f but he's 4 lb above last winning mark.	98

14 DECLARED RUNNERS

BETTING FORECAST:
13-2 Lexington Dash, 7-1 Desert Safari, 8-1 Ejtilaab, 8-1 Atalanta's Boy, 9-1 Aberama Gold, 9-1 Danzeno, 11-1 Kimifive, 16-1 Barbill, 18-1 Tinto, 20-1 Open Wide, 25-1 Indian Sounds, 25-1 Canagat, 28-1 Muscika

TIMEFORM VIEW:
A competitive sprint handicap to close with the narrow vote in favour of ABERAMA GOLD. He's just the type to bounce back from a rare below-par effort at York recently and the application of cheekpieces may well put an extra edge on him. Lexington Dash, who tasted success at Doncaster, and Desert Safari are others to consider, whilst Tinto makes some each-way appeal at forecast longer odds.
